The calendar consists of 14 days arranged in four rows of four. Days 1-7 are in a light grey box, days 8-11 in a light green box, and days 12-14 in a light orange box. Each day has a white circle for a checkmark. A piano character with a face and arms is shown in various states: excited at Day 1, happy at Day 7, determined at Day 8, and celebrating at Day 14. Musical notes are scattered around the calendar. A dashed line connects the piano character to the days.
